

About us

Ramja safaris limited is a leading tours and safaris destination management company incorporated in Kenya and has been offering niche holidays & safaris in Kenya for more than 10 years. We are licensed by the tourism regulatory authority to carry out tourism related activities. We are proudly providing guided safaris into Kenya, Tanzania, Uganda and Rwanda for more than a decade. We have our own fleet of safari vehicles that are highly maintained and customized to adapt to the Africa bush safari's terrain. Our guides are professionally trained and highly competent with immense knowledge on wildlife flora & fauna with adequate driving skills. We have partnered with lodges/Hotels/Camps across the region and we have negotiated best rates for our clients whom we refer as partners making it easy to guarantee best value for money for any of our client's safari requirements. From the white sandy beaches of East Africa's Indian oceans coastline to the rugged terrains of the east Africa's wild old safari national parks& natural reserves we cover all areas from airport to airport with our 24/7 dedicated team of tourism professionals ready to take you through the amazing African journey.
